**District Name: CENTRAL ISLIP**

The information presented in this report is based on data submitted by your school district to the Student Information Repository System (SIRS) as of September 23, 2011.

Graduation rates for the 2007 total cohort after 4 years (as of June 2011) and the 2006 total cohort after 4 years (as of June 2010) are compared below. Schools marked with an asterisk (\*) listed below had a change in graduation rate of 8% or more. Please review these data and submit any necessary changes to the SIRS by the final 2010-11 reporting deadline; Friday, September 30, 2011. Your Level 1 data center will establish a deadline prior to September 30 to allow sufficient time for processing. If the data are correct, please notify your Level 1 data center that the information has been verified as accurate.

Note that total cohort reporting rules have changed between 2010-11 and 2009-10 as follows:

The 2006 total cohort as of June 2010 includes students who were enrolled for a minimum of 5 months, the 2007 total cohort as of June 2011 includes students who were enrolled for a minimum of one day.

The 2006 total cohort as of June 2010 assigns cohort membership to ungraded students with disabilities based on the school year the student turned 17, the 2007 total cohort as of June 2011 assigns cohort membership to ungraded students with disabilities based on the date of first entry in grade 9

You can review the 2007 Total Cohort data by accessing the 2010-11 school year total cohort report in nySTART or through the L2RPT reporting environment available through your Level 1 data center.

2006 Total Cohort data after 4 years is available at: <http://www.p12.nysed.gov/irs/pressRelease/20110614/home.html> or via the 2009-10 school year total cohort report in the L2RPT reporting environment.
